Women's Woes.

Norway Women are Finding Relief at Last

It does seem that women have more than a fair share of the aches and pains that afflict humanity; they must "keep up" must attend to duties in spite of constantly aching backs, or headaches, dizzy spells, bearing down pains; they must stoop over, when to stoop means torture. They must walk and bend and work with aching pains and many aches from kidney ills. Kidneys cause more suffering than any other organ of the body. Keep the kidneys well and health is easily maintained. Read of a remedy for kidneys only that helps and cures the kidneys and is endorsed by people you know.

Mrs. P. Walker, Cottage St., Norway, Me., says: "I have used Doan's Kidney Pills and must acknowledge that I have been greatly benefited. While my case was in no way serious, I was in misery all the time. The symptoms pointed to a severe kidney disorder. Learning of Doan's Kidney Pills, I decided to try them and procured a box from Stone's drug store. In a short time after commencing their use, I felt much better and as I continued taking them, I steadily improved. I can recommend Doan's Kidney Pills as an excellent remedy for kidney disease."

For sale by all dealers. Price 50 cts. Foster-Milburn Co., Buffalo, New York sole agents for the United States.

Remember the name—Doan's—and no other.

Ruth Gilman from North Rumford has been visiting her aunt, Mrs. Herbert Hall, on Zion.

Lee Elliott and Charles Clements are out of the woods, where they have worked all winter.

Perley Wyman has been to Lewiston and got a nice covered wagon to use in his hauled corn business.

Over one hundred people attended Quincey Coolidge's birthday party at Holladay's Hall, March 15th. Oranges, all kinds of cake, cookies and ice cream were served by Mr. Coolidge. His friends presented him with an elegant oak rocker, birthday cake and box of cigars.

The McKinley School League held a baked bean supper at Willard Wyman's Thursday evening, March 24th, with a good attendance considering the bad travelling. Over fifty ate supper there. A guess cake made by Mrs. Charles Lapham was won by Mrs. Arthur Putnam and Mrs. Arthur Sloan, who each guessed four pounds, and the correct weight was three pounds and fifteen ounces. Nearly ten dollars was cleared, which will be used with the Sunday school money to purchase an organ to put in the school-house.

Follow this advice.

Quaker Oats is the best of all foods; it is also the cheapest. When such men as Prof. Fisher of Yale University and Sir James Crichton Browne, L. D., F. R. S., of London spend the best parts of their lives in studying the great question of the nourishing and strengthening qualities of different foods, it is certain that their advice is absolutely safe to follow.

Professor Fisher found in his experiments for testing the strength and endurance of athletes that the meat eaters were exhausted long before the men who were fed on such food as Quaker Oats. The powers of endurance of the non-meat eaters were about eight times those of the meat eaters.

Sir James Crichton Browne says:—eat more oatmeal, eat plenty of it and eat it frequently.

Buy it in the regular 10c package, or the large size family package at 25c.

BROWNFIELD.

Joseph Paine Thompson.

Joseph Paine Thompson died in the State Asylum for Insane, Worcester, Mass., at 3:18 p. m. on Wednesday, March 2. Mr. Thompson was a native of this town and was born April 11, 1830, being the son of Joseph and Lorana Thompson. He received his education in Brownfield's public schools. At the age of 14 he went to work on a farm, which occupation, with the exception of a period in summer when he was employed in making brick, he followed till he reached the age of 18.

In 1849 he went to Lowell, Mass., where he worked for the Middlesex Corporation 10 months, at the end of which time he secured a position in a Lowell clothing store, where he remained several years, afterwards going into the clothing business in the same city on his own account.

In 1862, having an impulse to enter the army, he sold out his business at a sacrifice and raised a company for the 33d Massachusetts Volunteers, on July 24 of that year being mustered into the service as 2d lieutenant of the company (Company G). He served till June, 1865, when with his regiment he was discharged. In the course of his military service he at various times held several staff positions, was at Gettysburg during the three days' battle at that place, took part in the battles of Lookout Mountain and Missionary Ridge, and served under Gen. Sherman during his siege of Atlanta and his march to the sea. On March 29, 1863, he was promoted to the rank of 1st lieutenant, and at his discharge from the army was brevetted captain by President Johnson for gallant and meritorious services.

After the war he was for a while in the employ of a large clothing house in Chicago, but he afterwards returned to the east and entered the wholesale clothing house of Hon. Alanson W. Beards of Boston. In 1874 he was elected register of deeds for the Northern District of Middlesex County, Mass., which position he held till April 6, 1909, when he resigned.

On the 3d of last November he was committed to the Insane Asylum at Worcester, being at the time in jail under an indictment found by a grand jury because of some alleged financial misdemeanor. The surgeons who examined and treated him after his removal to the asylum, however, came to the conclusion that this alleged misdemeanor was traceable to his senile condition. From the date of his commitment to the asylum till his death he was for the most of the time confined to his bed.

On Dec. 31, 1859, he married Adelaide Billings of Lowell, by whom he is survived, and he is also survived by a son, William N. Thomson of Lowell. The remains were taken to Lowell, and the funeral which was strictly private was held at the late home of the deceased, 229 Pine street, city, at 2:30 o'clock in the afternoon of Saturday, March 5th. The bearers were members of the G. A. R. The interment was in Lowell cemetery, where "taps" were sounded over the grave.

Bronchial Tubes All Stuffed Up.

"While a resident of Washington, D. C., I suffered continually and intensely with a bronchial trouble that was simply terrible to endure. I would have sworn that I could hardly breathe. I would choke up, fill up in my throat and bronchial tubes, and the doctoring that I did and the remedies used were of no benefit to me whatever. I heard about Booth's Hyomei being so beneficial in catarrhal and bronchial affections, and procured an outfit. I received relief from the first by its use. I continued with it and received a cure. It is about two years since I have suffered at all from my former trouble.—Mrs. R. L. Pannell, 404 N. Augusta Street, Staunton, Va., March 26, 1909.

Hyomei is guaranteed by Frank Kimball, proprietor of the Noyes drug store, to cure catarrh, croup, bronchitis, coughs, colds and sore throat or money back.

A complete Hyomei (pronounced High-o-me) outfit costs \$1.00 at drug-gists everywhere. This includes a hard rubber pocket inhaler and bottle of Hyomei; extra bottles Hyomei cost 50c. Free sample bottle and booklet from Booth's Hyomei Co., Buffalo, N. Y.

SWIFT'S—A SUPERIOR CLASS OF FERTILIZERS.

"Having used Swift's High-Grade 'Animal Brand' of Fertilizer, 300 lbs. per acre on a five acre plot of ensilage corn the past season, must say, notwithstanding its being a very dry season, I harvested the biggest crop of corn per acre I ever raised. It was immense, thick and well eared, averaging fully 12 feet high, after several hard frosts. I managed to get it nearly all into a 57 ton silo during two weeks settling before it froze or it would doubtless have required a great deal more room. Have also used your fertilizers on potatoes and other crops with splendid results.

"It is with pleasure that I give this testimonial having used Swift's Animal Fertilizers for several years, and can say I believe them superior to any other class of fertilizers on the market, being Animal Blood, Meat and Bone, they furnish a large amount of concentrated organic matter for humus, which greatly aids in absorbing and holding moisture, thus hastening dissolution of all soil elements for plant life.

"I would recommend all up-to-date, progressive farmers to try Swift's Animal Fertilizers and learn of their real merits and great value."

BETHEL.

Easter at the Universalist Church.

It seemed as though a special provision of weather was provided for on Sunday last, appropriate to the Easter services held in all Christian churches on the anniversary of the Resurrection of Jesus from the dead.

Here at the Universalist church a sunrise service was held at 6:30 a. m., under the direction of the Young People's Christian Union with Mrs. J. S. Burbank as leader. There was a large attendance for a service at that early hour. Every Sunday school teacher was present and one or more members of each Sunday school class. The pastor of the Congregational church was also present and assisted in the service, as did also some of his people. The Methodist church was also represented, though the pastor was not present. The invitation had been extended to the other churches and the public.

It was an inspiring service, the early hour of a beautiful morning, the sun rising over the hills in splendor, the melody of the birds' singing as if rejoicing with human beings over the event which the day was to commemorate, the thoughts expressed, the prayers of the ministers present, the devout and reverent joyous spirit of the service, all on an occasion long to be remembered. This service here was established a number of years ago by the Young People's Union and has been kept up from year to year with increasing interest. It was an auspicious opening of a day of hallowed service.

At 10:45 came the regular morning service, which was in keeping with anniversary, as an Easter memorial. There was an Easter sermon by the pastor, Rev. J. H. Little, from the text, I Cor. 15:55, "O death where is thy sting, O grave where is thy victory?" Special music by the choir, and an audience filling the church almost to its limit, with the reception of three members into the church made this an impressive and beautiful service.

In the evening at 7:30 there was an Easter concert by the Sunday school and choir with another large audience, very interesting recitations by members of the school, solos, duets and choruses making the concert one of the best, which was greatly enjoyed by all. The Easter lessons of the concert were choice, beautiful and impressive and will long linger in the memory of those present.

The floral tributes in memory of absent ones and for the decorations of the altar at each service were unusually abundant and beautiful for this season of the year. The Easter lilies were everywhere present, some of the largest that have grown. In their white, pure, silent language, they were eloquent in the thought of the day. Other flowers added to the beauty of the decorations and paid their just tribute to the occasion.

Twelve members have been received into this church since the first of February and more are coming. The Sunday school has grown from five members to over fifty in about nine months, and new scholars are coming in from week to week. The audiences at the morning services have been unusually large all through the winter.

The neighboring mountains are losing their white caps and begin to look bare but are still grand in their silent majesty. Bethel has interesting scenery all the year round. It is no wonder that visitors come here from all parts of New England and the far West at all seasons of the year, for at all seasons there is something to enjoy.

Mrs. S. J. Parley of Exeter, N. H., is visiting her sister, Mrs. J. H. Little.

Elroy Dean of Paris brought them over from there and took Mr. Hersey back with him, leaving the son, Charlie, here for a short visit.

HIRAM.

A Farmer Who Made Money.

Henry Burbank, who sold his farm recently to S. H. Leighton of Portland, has bought the Eugene Wadsworth stand in the village and is moving to this place.

The farm which Mr. Burbank sold was a good one and with his supervision he made lots of money. His money makers were cows, of which he kept a large number, sweet corn and timber. The latter which has been sold from the farm amounted to quite a fortune.

He bought a lot of mauls by ear lots, this with his home supply kept his farm in a grand state of cultivation.

There is an excellent orchard on the place. Later years he shipped his apples to England, where he received the most money for them, some years they brought him in eight hundred dollars.

Mr. Burbank made the remark that he had cleared one thousand dollars a year for a number of years. He has been an agent for Twitchell Champlain Co. in overseeing their sweetcorn business for many years. Last fall he put into their shop a large quantity of grain of which he sold an immense lot through the winter.

Everyone is inquiring for pigs.

Will return to Mr. Steven Cross at the Brooks' homestead, she will gladly give them the cover as the cover without the kettle is of not much use to her.

BRYANT'S POND.

What Shall the Name Be?

The Woodstock high school has commenced the spring term with a larger attendance than usual, 26 students being registered.

Mr. Ford and Miss Cushman have both been very successful on the whole. Several out of town students are in attendance and the prospect for the continued success of the school never seemed brighter.

There seems to be a little controversy among people in town as to whether the name of the school as to whether it should be known as the Bryant Pond or Woodstock high school. Of course a name does not, in one sense, effect the school in the least, but it would seem considering that the school is supported by the town and is for the free use of all the students in Woodstock that it should properly be known as the Woodstock high school, and undoubtedly such will be the case as there is hardly a high school in the State when supported by a town which is not called by the same name.

George R. Coffin has purchased the Soc. Newell stand on the West Paris road and is keeping his arm.

Mrs. Adams of Boston, who has been keeping house for C. E. Wentworth this winter, returned to that city this week.

Business at North Woodstock has been quite lively this winter. Billings' saw mill has sawed out quite a large amount of pine lumber.

Elijah D. Cole of Mechanic Falls, formerly principal of the high school and superintendent of schools in Woodstock, is visiting relatives in town.

It is reported that Elton G. Whitman, who resides in the south part of Woodstock near the Grand Line, is soon to move to some farm in Greenwood.

Spring has come. The robins, blue birds and song sparrows are giving daily concerts. One occasionally sees a member of the Bryant Pond branch of the Norway I. O. O. F. H. out with opera glass and book, and without doubt some good work in nature study is being done here.

Now is the time for a general house-cleaning and picking up throughout town. The lawns and yards in the village should be put in spick-span shape so as to present a neat and attractive appearance by the time our annual flock of summer people arrive, and farmers should see that things are feeling up about the farm and buildings, and everything made as neat and tidy looking as possible. If every citizen would take a personal interest and see that this is done our town would need no better advertisement.

Farmer in Woodstock are making plans for a larger acreage of corn than usual. The potato men are feeling up a little sick about the potato market but they still have firm faith in the future of this crop. Why does not some wealthy friend of Woodstock come forward and offer an annual prize for the best acre of corn raised in town, as has been done in Paris and many other towns throughout the State.

David Swan is very ill.

Mrs. Ella Day is very ill.

Mrs. Jerry Farrar is better.

Mrs. Horace Berry continues in poor health.

James Russell of West Poland was in town Tuesday.

G. W. R. P. Ham went to Skowhegan, Tuesday on business.

Mrs. Ella Sweetwater on the sick list last week but is some better now.

Mrs. S. L. Russ continues very sick.

Mrs. Clarence Jackson is taking care of her.

Cecil Clarence, the youngest child of Mr. and Mrs. Fred DeShon passed away Sunday morning after only a few hours illness. He was about one year old.

The funeral service was held Tuesday afternoon at their house by Rev. J. H. Little.

Hannah Billings and Deborah Rowe of Norway visited two days the first of the week at Stephen Rowe's. "Aunt Hannah" is a sister of Mr. Rowe and very smart for one 82 years old. Mrs. Isa Perkins is helping Mrs. Lizzie Whitman take care of her father, Stephen Rowe. He is gradually failing, his suffering would have worn out almost any one else before this, but he has a strong constitution.

WEST SUMNER.

G. H. Barrows is suffering with rheumatism.

Mrs. Abbie L. Bates has gone to North Paris, to work for a short time.

Luez M. Swan of East Poland, is a guest of her friend, Theda M. Glover.

Mrs. Effie Bonney has been working for Mrs. K. P. Bonney, but was obliged to go home, Friday.

Levi Turner, who works for Dr. H. F. Atwood, had the misfortune to dislocate his shoulder recently.

Mrs. K. P. Bowker is very ill. Her daughter, Mrs. Maxine Full of West Paris, came to care for her.

Mr. and Mrs. S. G. Barrett are to give a dance April 5th, they having been married twenty years at that time.

It is expected that the repairing of the Universalist vestry will begin very soon, which is a much needed improvement.

Mrs. Melville Dunham has been caring for Mrs. Laura Bonney Webb, at North Paris, returned to her home, Sunday.

Wm. A. Crockett was home from his camp, two days recently, where he is making a large quantity of maple sugar.

Alcohol to Children

Ask your doctor how often he prescribes an alcoholic stimulant for children. He will probably say, "Very, very rarely. Children do not need stimulating." Ask him how often he prescribes a tonic for them. He will probably answer, "Very, very frequently." Then ask him about Ayer's non-alcoholic Sarsaparilla as a tonic for the young. Follow his advice. He knows. *J.C. Ayer Co., Lowell, Mass.*

The first great rule of health—"Daily movement of the bowels." Ask your doctor if this is not so. Then ask him about Ayer's Pills. Sold for nearly sixty years.

NEW SUITS AND COATS

Suits for young and old. Suits for large and small. Don't delay looking them over for they are going fast.

We have just opened another case of new Gingham. Beautiful patterns and colors, 10 and 12 1-2c.

Remember we have good unbleached cotton, 36 in. for 7c, 40 in. for 8c. There is every indication they will be higher.

We are spending two weeks in Boston and New York buying the new things and studying styles.

Our dressmaking rooms will be opened again Tuesday, May 5th, when Miss Z. S. Prince will be pleased to meet old and new patrons.

Sincerely yours,

The Best Thing About a Bank

A bank which takes deep hold upon the confidence and respect of the people at large is by all odds the proper place for funds when safety is wanted.

Such an institution, and no other sort, is well placed to weather any and every financial disturbance which may arise in the course of the years.

A bank's strongest advantage is at this point—without it, gold and time locks, stone, brick and big figures are all chaff and sawdust.

Be sure of your money by entrusting the keeping of it to such a bank. The facilities of this bank, of over 38 years uninterrupted service, are at your disposal.

Needs Care.

Josiah Weeks, who has resided many years on a farm between Temple and Deer Hill and was bereft of his wife by death a few months ago, has been in a poor state of health since that event with continued symptoms of dementia. Much anxiety has been expressed by his neighbors and townspeople generally, and it has been suggested that the town authorities take some cognizance of the case and take measures to provide for the safety and comfort of Mr. Weeks, who is far advanced in life and manifestly needing constant care and surveillance with proper food and nursing by a competent person, when sick. But hitherto he has remained in his lonely home, with only the companionship of a boy belonging in the neighborhood, and he was addicted to taking a leave of absence at his option and pleasure.

Last Sunday about midnight it was discovered that Mr. Weeks was not in his house and the boy was absent. A posse of neighbors was soon assembled and a search instituted. For about six hours the anxious neighbors hunted through the dense woods under much discomfort through water, mud and underbrush, until, finally, about one o'clock in the morning Mr. Weeks was found near the home of Fred Kilgore, moving on his hands and knees and in a most wretched and suffering condition. The friends who found him moved him at once to a comfortable place, and supplied dry clothing and soon conveyed him to his own home again. It is not yet known what measures will be taken for the safety and comfort of the poor, sick man. Mr. Weeks is a veteran of the U. S. Navy, and draws an ample pension for ordinary needs.

Augusta Warren of Gorham, is visiting her relatives, the family of Llewellyn Saunders.

Granville Fernald spent a week, very pleasantly, making brief visits to friends in Harrison and Bridgton, returning home last Saturday.

Leon York is working for W. W. Watson, saving and stocking up box-boards and other lumber.

Elsina York has been in Bridgton several weeks, assisting in taking care of her aunt, Mrs. Gilbert York, at the home of Mrs. Parker, a daughter. Mrs. York is reported to be growing more feeble each day.

The lakes are rising so fast that the ice has parted from the shores. A few days ago Leon York was catching line strings of bass in Echo Lake.

Easter Sunday was celebrated by a special anthem service with augmented choir, and a formal discourse by the pastor, from the text: First Corinthians, 15:55. The congregation was a most cheering sight to behold and approximated one hundred. There might have been some new Easter bonnets, but they were undistinguishable from others. The Sunday school was larger than usual, and the Quarterly Review lesson was made exceedingly interesting by the Superintendent, who is hoped that the attendance at church and Sunday school will continue to be larger as the bright spring and summer advances.

OTISFIELD.

Brett-Shackford.

At the residence of the officiating clergyman, Rev. C. Foster, a wedding was solemnized at high noon Monday. The contracting parties were Eben Brett of Otisfield and Gertrude Shackford of Harrison. Mr. Brett is the son of Daniel and Julia Brett, prominent citizens of Otisfield, and is a farmer. Miss Shackford is the only daughter of William and Mary Shackford, who have for some years resided in Harrison. The newly wedded couple will reside at the bride's parental home for the present, after a brief wedding trip.

WEST PARIS.

Gertrude Curtis has been visiting her aunt, Mrs. Crockett in Bryant Pond. Mrs. Lena S. Herrick went to Portland and purchased a piano and Victor graphophone.

Mrs. Bridges and daughter of Mechanic Falls visited her sister, Mrs. C. H. Lane last week.

John Bryant has returned from Togus, where he has been with his daughter, Mrs. W. H. Emery.

Mrs. E. E. Tonnell is in West Sumner caring for her mother, Mrs. Kilborn Bowker, who is ill.

Laura Hill has been visiting her grandmother Packard in Richardson Hollow during her vacation.

Lida Hall of Mechanic Falls is visiting her grandmother, Mrs. Eliza Curtis and other relatives and friends.

Mrs. Carroll Bacon was called to Portland last week on account of the illness of her sister, Mrs. Annie Rodenok.

Mrs. Mary Bradley and daughter Jennie attended the funeral in Lewiston last week of Mrs. Bradbury's brother, Mr. Edgecomb.

Mr. and Mrs. Allie Felt of Portland, and Mr. and Mrs. Dunham of South Paris visited their aunt and uncle, Dr. and Mrs. O. K. Yates last week.

The L. O. O. F. entertained the Bethel Lodge last Saturday evening. About 30 came from Bethel; Grand Master Sears of Portland was also present.

The next regular meeting of the W. C. T. U. will be held at the home of Mrs. E. D. Curtis April 7. It is to be the annual business meeting and election of officers.

The ten month old baby, Charles Roland, son of Mr. and Mrs. Oscar Kimball, died last Wednesday afternoon. The funeral was at the house Friday at 1:30 p. m. Rev. Seth Benson attended the services.

The Grange held a sale Friday afternoon. They had a good quantity of food vegetables, canned goods, aprons and fancy articles and candy on sale; also a mystery tree and two nice quilts, one of which was an album quilt. The male quartet gave four selections and duets were given during the afternoon. A social dance was given in the evening.

A Mission worker and evangelist, Silas M. Shedd from the Water Street Rescue Mission in Haverhill, Mass., has been visiting his uncle, Levi Shedd. While here he held open air services, preached Thursday evening in the Methodist church and in the Baptist church Sunday evening. He tells a wonderful religious experience and is very zealous in his work. He also had a song that he composed, entitled, God's Grace Imparted, and set to music by A. F. Ingler.

Mrs. S. W. Dunham, who was taken ill with the grip was seized with an attack of epilepsy last Tuesday and her condition seems to be serious although she has recovered consciousness and can form a few words audibly. A trained nurse, Miss Tibbitts of Portland is in attendance and their son H. W. Dunham and his wife of North Paris are staying with them. Mr. Dunham is gaining.

Their daughter, Mrs. Harry Hamilton of Greenfield, Mass., and George L. of Brattleboro, Vt., Laura of Belows Falls, Vt., and H. R. Dunham of Waterville have been here the past week.

The services which were held in the churches on Easter Sunday were both impressive and interesting. Easter decorations, flowers and potted plants were manifested. The Universalists, as is their custom, had special music, a trombone solo by Mr. Irish, choir with Miss Campbell of South Paris soloist, an Easter sermon by the pastor, baptism and communion. The Methodists had a Children's concert in the evening. Mrs. E. D. Curtis does excellent work with children. The Baptists a straight gospel sermon, text Psalms 32, 11-12 verses, one of a series which the pastor has been giving, with Easter hymns by the ladies chorus. In the evening Mr. Shedd conducted the service.

Mrs. David Pratt.

Mrs. Alpha E. (Noyes) Pratt, wife of David Pratt of Portland, died, the 18th, on Saturday, February 20, Mrs. Pratt was operated upon at Dr. Cousins' hospital in Portland. While recovering from the effects of the operation, pneumonia set in, which caused her death.

Mrs. Pratt was the daughter of Bela Noyes of Norway and Honor Prince Noyes of New Gloucester, and was born in Norway 70 years ago. July 15, 1831, she married David Pratt, who was in the employ of the Grand Trunk railway, and went to Gorham to live. She resided there till her husband was promoted to be a passenger conductor between Portland and Island Pond, and in 1871 they removed to Portland, where they have since resided.

It is notable that not only was Mrs. Pratt's husband a railroad man, but her three brothers, Capt. Warren Noyes, Robert P. Noyes and George W. Noyes, were also railroad men, the three brothers being locomotive engineers on the Grand Trunk at the same time; later they were master mechanics on the Grand Trunk all at the same time. Capt. Warren Noyes being in charge of the company's shop at Gorham; George W. Noyes in charge at Island Pond, Vt.; and Robert P. Noyes in charge at Richmond, Que.

Mrs. Pratt is survived besides by her husband, by one brother, George W. Noyes of Gorham, by several nieces and nephews and several grand nieces and nephews.

Dinner will be on sale at the Grange hall.

Homeseekers' Excursions.

The Grand Trunk Railway has issued a Circular authorizing all agents in Canada to sell homeseekers' Excursion tickets to points in Western Canada. This is interesting information for those desiring to take advantage of these Excursions on certain dates from April to September, 1910. The Grand Trunk Route is the most interesting, taking a passenger through the populated centers of Canada, through the metropolis of Chicago, thence via Duluth or through Chicago, and the twin cities of Minneapolis and St. Paul. Ask Grand Trunk Agents for further particulars.

GREENWOOD.

Gunpowder is Dangerous.

Charles Verrill, a resident in the south end of the town, will probably, in future, time his powder in some more safe place than a brick oven. This oven has not been used for years and Mr. Verrill has been in the habit of placing matches, gun powder and rifle cartridges in this receptacle as it was perfectly dry and apparently safe.

A few days ago Mrs. Verrill heard a snapping noise in the vicinity of the chimney and called her husband's attention to the same. He, realizing the cause, rushed his wife and children out of doors, opened the oven door and removed one box of matches, putting them out of doors. He returned as far as the kitchen door when an explosion occurred that knocked him down not in his tracks but several feet away. The oldest boy standing at the window was likewise knocked over, the windows were broken and all open doors in the house violently closed.

Aside from the shocks and a few bruises nobody was hurt. Damage was slight, being confined to a few burnt clothes and a slight wrecking of the oven.

Had Mr. Verrill reached the oven before the explosion we should have a more serious result to chronicle or had he been away from home the consequences would have been still more serious, as Mr. Verrill knew nothing of the stored powder, about a quart in all. Undoubtedly the house was saved through the fact that the oven door was open at time of explosion.

It is thought that the oven became over heated from some unknown cause, igniting the matches which in turn set fire to the powder. On the whole, as things turned out, the joke is rather on Mr. Verrill, but in view of what might have happened it is safe to say that he will take no more risks of a like nature.

Della Berryment has been working at F. J. Cole's.

W. O. Emmons was in Portland, Sunday, on business.

Nellie S. Nutting, Bates '10 class, is visiting at the home of Mr. and Mrs. F. H. Maxfield.

A. E. Cole will run the town farm for the next year. He and his family moved in Monday of this week.

Mrs. Charles Swan visited her son Arthur, who is attending business college in Portland the latter end of the week.

A. E. Estes and wife have moved from the rent they occupied in F. J. Cole's house for the winter back to their farm on the Paris road.

Slack time between sledding and wheeling at this writing. Most of our people are engaged on their wood piles or in clearing up around their premises.

Our community is troubled at this writing with an epidemic of sickness, confined mostly to the children. Kenneth and Red of Cole, Marguerite Maxfield and Evelyn Cole have been seriously ill.

HARRISON.

Church Wedding at Harrison.

A very pretty church wedding was solemnized at the Harrison Congregational church, Easter day at early candle light, the bride being May Evelyn Whitney, a daughter of Mrs. Meda Whitney of Harrison, and the bridegroom, William C. Porter of Dixfield. Rev. C. N. Davis officiated, the double ring service being used, Little Martha Caswell being the ring bearer.

Mrs. George Flint, organist at the Congregational church, presided at the organ, playing Lohengrin's bridal march while the bridal party were entering the church, and Mendelssohn's wedding march at the close of the ceremony and during congratulations.

Mrs. James P. Blake, a cousin of the bride, and Mrs. Mark Sawyer, had charge of the decorations which were mostly composed of Easter lilies, white carnations and ferns, and were very beautiful. A large gathering of relatives and friends witnessed the marriage.

The bride was handsomely gowned in pale blue and carried white carnations. The groom was dressed in the conventional black.

The bride is one of our most popular young ladies. She was born in Worcester, Mass., but has spent the greater part of her life in this town. She graduated from North Bridgton Academy in 1903, and has taught school more or less of the time since then. She is an accomplished musician and has assisted as contralto in the Congregational church choir the past two years. The groom is also a musician and plays first cornet in the East Dixfield brass band.

After the ceremony the happy couple left on a wedding trip, making visits among relatives and friends in Fryeburg, Harrison and Portland. After the middle of April they will be at home in Dixfield.

The wedding gifts were numerous, handsome and useful.

The ushers were Jessie Ricker, Mary Hutchins, Harry Smith and Frank Furlington.

Mrs. Everett Chapman is critically ill. Freda Haggood is visiting in Gardiner.

Fred Whitney has moved back on to his farm.

Mr. and Mrs. Albert Kneeland spent Easter in Portland.

Mrs. Emma Spaulding, who works in Lewiston, is in town, on vacation.

Geo. Wetherell of South Paris, visited friends in town, the past week.

Royal Flint of Sweden, was a guest at Geo. Flint's, over the Sabbath.

Geo. P. Carsley has moved into his mother's house, on school street.

An Easter concert was given at the Free Baptist church, Sunday evening.

Joseph Pitts has sold his span of black horses to Howard Morrison of Bridgton.

A fire was discovered Friday, at Ricker's machine shop, but the damage was very slight.

Dudley's orchestra played at the drama, given at Bridgton Academy, Thursday night.

Mrs. Bessie Powers has gone to Durham, N. H., where she has a situation as cook in a school.

Mrs. George Porter of Dixfield, was a guest several days this week, at Mrs. Meda Whitney's.

Easter was observed at the Congregational church, Sunday afternoon at 1:30 o'clock. A short Easter concert was given by the children, after which a brief Easter talk was given by the pastor of the church. The regular church choir was assisted by Mrs. F. P. Bennett, Mrs. Albert Dudley and Geo. Flint.

Oxford County Holstein Breeders

Meet at Norway.
The members of Oxford County Holstein Breeders' Association held their quarterly meeting at Norway, Thursday, March 24 in the forenoon.

President Tucker was in the chair and routine business was disposed of. Several members reported young stock for sale and handed their description cards to Secretary C. S. McIntire of East Watford.

It was voted to send President Tucker to Waterville April 14th to attend the meeting of people interested in organizing a State Livestock Breeders' Association, the local association believing that a State association would do much to further animal husbandry in the State.

It was voted to send resolutions to the National Holstein-Friesian Breeders' Association favoring a more general use of the tuberculin test.

Opportunities and methods of association work were discussed. A program committee appointed for the next meeting, and the meeting adjourned at noon so that those attending might hear Prof. E. F. Hitchings lecture on orchard spraying.

The next meeting will be held Tuesday June 21 at the home of E. J. Hobbs, Norway Lake. This will be the annual meeting. Program:
Annual address... President Tucker
Discussion of officers... A. Cummings
Association work. What can I do?
Opened by E. E. McIntire and A. B. Cummings

Have You Tried?

Lydia E. Pinkham's Vegetable Compound? We can furnish positive proof that it has made many remarkable cures after all other means had failed.

Women who are suffering with some form of female illness should consider this.

As such evidence read these two unsolicited testimonial letters. We guarantee they are genuine and honest statements of facts.

Cresson, Pa.—"Five years ago I had a bad fall, and hurt myself inwardly. I was under a doctor's care for nine weeks, and when I stopped I grew worse again. I sent for a bottle of Lydia E. Pinkham's Vegetable Compound, took it as directed, and now I am a stout, hearty woman."—Mrs. Ella E. Atkey, Cresson, Pa.

Baird, Wash.—"A year ago I was sick with kidney and bladder troubles and female weakness. The doctors gave me up. All they could do was to just let me go as easily as possible. I was advised by friends to take Lydia E. Pinkham's Vegetable Compound and Blood Purifier. I am completely cured of my ills, and I am nearly sixty years old."—Mrs. Sarah Leighton, Baird, Wash.

Evidence like the above is abundant showing that the derangements of the female organism which breed all kinds of miserable feelings and which ordinary practice does not cure, are the very disorders that give way to Lydia E. Pinkham's Vegetable Compound.

Women who are afflicted with similar troubles, after reading two such letters as the above, should be encouraged to try this wonderfully helpful remedy.

For 30 years Lydia E. Pinkham's Vegetable Compound has been the standard remedy for female ills. No sick woman does justice to herself who will not try this famous medicine. Made exclusively from roots and herbs, and has thousands of cures to its credit.

Mrs. Pinkham invites all sick women to write her for advice. She has thousands to health free of charge. Address Mrs. Pinkham, Lynn, Mass.

Mrs. Susan E. Millay of Bath is visiting her sister, Mrs. A. W. Pottle.

Postmaster Alfred Cole, who has been ill for some time, is reported to be better.

Fannie Harlow is at home from Auburn, where she has been teaching, for a vacation.

C. M. Irish has received a fine box of oranges from his orange grove in Redlands, Cal.

The Oxford quarterly meeting with the Buckfield Baptist church had a good attendance and was very helpful and practical.

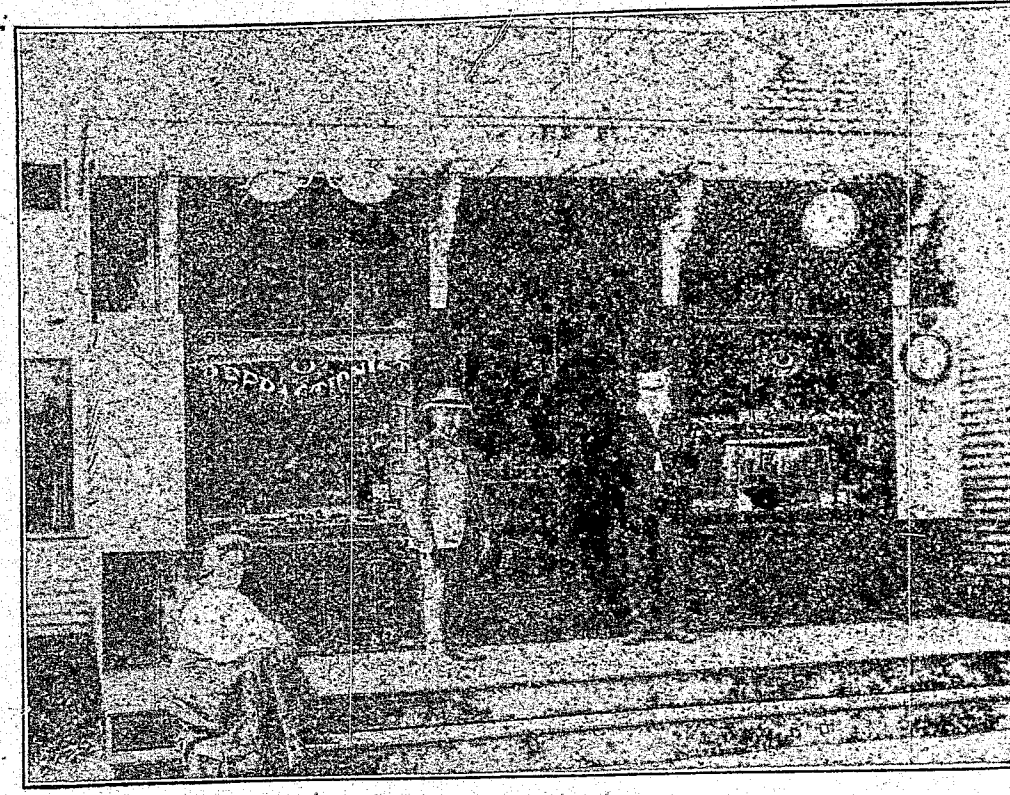

Rev. A. W. Pottle was called to Old Orchard to attend the funeral of Rev. J. B. Lapham. At one time Mr. Lapham was pastor of the Methodist church at South Paris.

The house, stable and store of W. H. Hildreth, the house and stable of Chas. Whittemore and the house and stable of Albert Sampson at East Dixfield were destroyed by fire, Friday morning.

"What's worth doing at all is worth doing well" is probably true in every case except when we are the ones who are being done.

Optical Department

In this end of the business the Optometrist, PARMENTER, the Optician will give his personal attention to all eye troubles and fitting glasses. I have fitted more than 30,000 eyes in 20 years. New

methods in fitting eyes which I have discovered in the past few years make it possible for me to give satisfaction to my customers and fit eyes where others have failed to fit. Get Parmenter's glasses. Artificial human eyes matched and made to order. Glasses of all styles; largest stock in Oxford County. Reading glasses, all kinds of colored glasses, opera glasses, compasses.

It's astonishing how many people have become customers of ours during the past year. Unsatisfactory goods or prices elsewhere sent them here first, perhaps. Once the value of our goods and workmanship are fully realized there was no question about their becoming regular customers. It would be simply throwing money away to buy at any other store.

One way to measure your success is by the earnestness with which your competitor knocks your business. Every knock is a boost for the other fellow.

I wish to thank the public for making it possible for me to build a Bigger, Better, and Brighter business each year in Norway, Maine, and I shall endeavor to give the best services, and goods, in the future as in the past, and all may be assured of such. Regardless of what is said of me and my business.

I carry the best goods that money will buy, in all lines and at all times. I grind and make all my glasses. Having installed a \$500 machine one year ago am prepared to get out glasses on short notice. My store and goods are sanitary.

Here are Our Birthday Gifts:

First Gift

OXFORD.
Died at C. M. G. Hospital.
Mrs. Julia Russell, who was so badly burned on Friday morning, March 4th, died at the C. M. G. hospital on Tuesday night, March 22nd. Mrs. Russell was burned by the lighted oil from a lamp coming in contact with her underclothing and while she was in an unconscious condition.

Mrs. Russell was hurried to the hospital and everything that medical skill could devise was used to alleviate her suffering and prolong life. She made a gallant fight and for more than two weeks there was hope for her recovery. But she was burned so about the feet and limbs that the flesh came off entirely from the bottoms of her feet leaving the blood vessels and tendons exposed to view and the terrible drain resulting from the sloughing tissues simply wore her life away. Her suffering during the last week was intense and had she lived would have been a hopeless cripple.

Mrs. Russell was almost 34 years of age and was a native of Oxford. She is survived by a husband, Henry Russell, and daughter Marion, one sister, Mrs. Nellie Walker, and five brothers, one of whom is in the Philippine Islands.
The funeral services were in Auburn, Thursday, but her body was brought here and placed in the Oxford Cemetery. The floral display from relatives and friends was abundant and very handsome, the combinations being arranged in a neat and attractive manner.

Observance of Easter.
The early promise of fine weather on Easter morning continued throughout the day, and seldom is such a beautiful Easter Sunday handed out to the people of New England. Much interest is manifested by Christian denominations in Easter, the Lenten period, Holy Week, and especially Good Friday, the day upon which Christ was crucified. Easter comes at an opportune time.

It is usually the end, in New England, of a long, hard winter and the beginning of spring. All animal life rejoices in the clear skies and warm sunshine, and vegetation puts forth her best efforts in the shape of buds and sprouts for the season's growth. It is the one glad day upon which all care, envy, jealousy and hard thoughts and enjoy the infinite goodness come to men.

The observance of Easter at the Congregational church was at the morning service. Easter flowers were in abundance and were tastefully arranged about the altar. The pastor, Rev. Mr. Baldwin, chose for his text that great question of all questions found in the 14th chapter of John, "It is written that question which has been discussed by learned and unlearned men and women, of all creeds and denominations, from the beginning of the Christian era to the present day, and which is still as unsolvable as it was one thousand years ago, and that is, 'If a man die shall he again live?'"

Mrs. Baldwin's accumulation of facts, direct and indirect evidence and strong reasoning power were all in support of the question. And I think it is consensus of opinion among all denominations, that the great majority of people among the civilized and Christian nations do believe in a life beyond material existence here.

Mr. Baldwin also brought forth the general conclusion among the scientific men, who have made a study and investigated the writings and occurrences at that time, that it is an accepted fact that Jesus did die upon the cross, was placed in the tomb, and did rise from the dead, and that the death and resurrection as given by the four evangelists, the writings and teachings of the early Christians, the charge in the disciples were all used as reasonable and convincing arguments. Mr. Baldwin ably reported the idea that Christ might have been in a state of coma, and brought forth most reasonable suggestion that the Maker and Ruler of a universe so large that we cannot conceive of its size, would not place his most highly developed mortal in the shape of man upon this earth for a few short years, then snuff out his life, leaving the material body to return to the earth.

The scientists have driven home the fact that there is nothing lost or destroyed in nature. It is merely the change in shape or condition from one form to another. The vital principle or form that was set in motion at the beginning of time still there and will act on until the end of the world. It is the will of God that the resurrection of the dead should be, and was delivered with his usual characteristic energy and furnished much food for thought.

The evening service in the Chapel was largely attended and enjoyed nearly as much as the morning's service. These evening meetings are very popular and sure to draw many of the young people to the Chapel.

Cyrus Chaplin.
Cyrus Chaplin died at his home in Welchville on Friday, March 25. Mr. Chaplin was born in the town of Naples, in September, 1832. Mr. Chaplin resided in Naples nearly 40 years, moving to Albany in 1872. He lived there nine years, moving to the Gilbert farm, so-called, in Welchville in 1881, where he resided until his death.

Mr. Chaplin enlisted in 1862 and was mustered into service in August the same year. He was wounded at the battle of the Wilderness in May, 1864, and was discharged a short time afterward. He has served several terms as commander of T. A. Roberts Post, his term expiring in January of this year. Mr. Chaplin was a kind husband and father, a good citizen and was always interested in what was proposed for the betterment of mankind. He was especially interested in the school children, and it was his request that they should accompany the Veterans on Decoration day.

The writer wishes to note an act of his illustrating his devotion and interest in our schools. At the flag raising in the Webster district two years ago Mr. Chaplin went from his home in Welchville to attend that event. He not only listened attentively to the program, but when called upon to speak promptly responded, and with tears running down his face talked to those children in his own way, but in a manner that impressed all with his sincerity.

I have had many talks with Mr. Chaplin and found him to be an interesting and entertaining talker as well as a listener. During the last few years he has had a Bible class in Sunday school of which he was very proud, and he was loved and respected by every member. The funeral services were at their home in Welchville, Rev. Mr. Callahan acting as the officiating clergyman. The funeral was attended by the members of T. A. R. Post, the Ladies' Relief Corps, and his Sunday school class. The interment was in their lot in the cemetery in the rear of town house.

Parish Meeting.
The annual meeting of the Congregational parish was held in the Sons of Temperance hall Saturday evening March 26. The first number on the program was a beautiful feast furnished by the ladies of the parish. The tables were decorated with flowers and fairly groined with the good things direct from the hands of our good housewives. In fact a hungry man hungry.

It was the best supper the writer ever sat down to in S. of T. hall. After all had been served the remaining food was sold at auction. The meeting was called to order, George Hazen acting as moderator and the following program was carried out:

Instrumental music.....Lulu Stone
Singing.....Congregation
Prayer.....Rev. A. K. Baldwin
In the absence of the clerk Mrs. Kate Starbird was appointed clerk pro tem.

Report of minutes of last year's meeting of March 13, 1909.
Report of collector and treasurer.

As there was only one trustee present and he was not provided with a report it was voted to pass over the trustees report.

The following officers were elected:
Clerk—Charles F. Starbird.
Congregation—Lulu Stone.
Treasurer—E. W. Edwards.
Trustee—Harry Harris.

New members admitted, Vera Kay, Marie Kay, Lulu Stone, Emily Scribner, Perley French, A. K. Baldwin.

Report of Sunday school.....Harry Andrews
Report of Christian Endeavor.....Verna Denen
Report of Guild.....Lulu Stone
Report of Ladies Aid.....Perley French
Report of church.....Marion Cook
Report of church.....Frank Kene
Instrumental music.....Lulu Stone
Song.....Ida Stone

The parish history by Mrs. Starbird was very interesting. She gave a condensed account of church building and parish history from the early part of the nineteenth century to the dedication of the present church in 1843. The first church was built near the house of Chas. Bumpus and was occupied by the Baptists and Congregationalists in harmony until the great revival in 1840, when the Congregationalists were obliged to vacate. They held meetings in the upper room of the brick schoolhouse situated at the foot of Keith hill.

It was here that Francis Norton founded the first Sunday school in Oxford, and probably the first in Oxford county.

The present church was completed in 1843, and services have been held there with but little interruption to the present time.

The meeting closed with a few appropriate remarks by Rev. Mr. Baldwin.

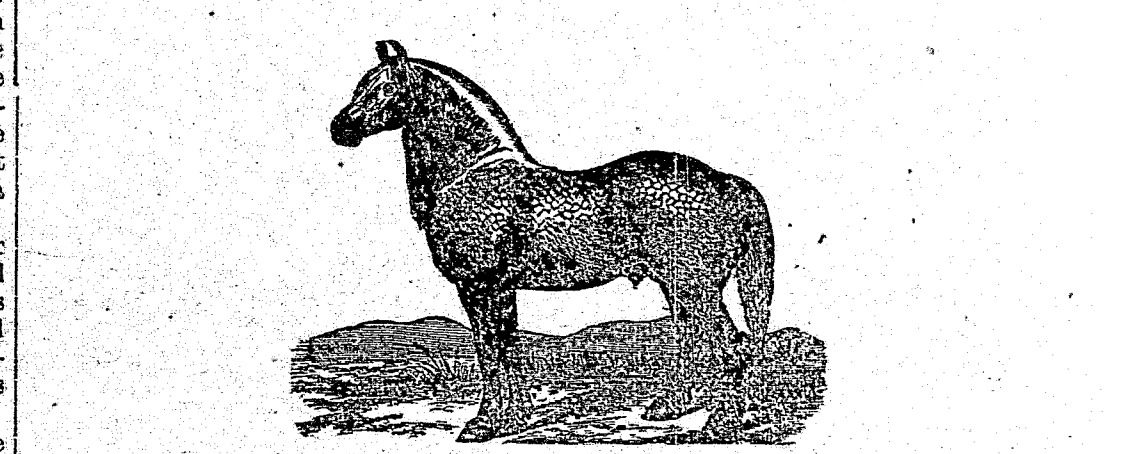

Otho Holden is home from Hebron academy for a short vacation.

Schools on Fore street and in the Webster district begin on Monday, April 4.

Leon Cash and Alton Delano are home from Bates college for a ten days' vacation.
